

The Department of Human Resources requires all kids attending our children's day out program and/or our preschool program, to have a Child's Medical Report on file. This report needs to be filled out and signed by your child's Physician, Physician's Assistant or Certified Nurse Practitioner and returned to the Clearly Kids office by the first day of school. In addition to a medical report, a Certificate of Immunization is also required to be enrolled in the 2023-2024 school year.

Child's Medical Report

(This form may be used for household members younger than 19 years of age)

Child's Name: _____ Date of Birth: _____

Name of Child's Parent or Guardian: _____
